mjanicesologia att. net 22670 Woodcreek Drive Taylor, MI 48180-9327 September 24, 2014 Dear Honorable Sir: RE: House Bill 4315 and Senate Bill 819 I am a Registered Nurse on a Total, Permanent Disability that moved to a condo Mto accommodate my particular needs. Late last December four Smart Meters were placed on the exterior of my condo and four on my neighbors', 37 feet across from mine. The electric meters create electromagnetic radiation that has been tested inside and outside my residence. The result of which is insomnia and headaches. I can no longer sleep in my bed which is on the inside wall of the meters. House Bill 4315 and Senate Bill 819 are pending at this time. I am requesting that the House Energy and Technology committee study the health and privacy issues associated with Smart Meters and hold a full hearing on this. Michigan residents should be allowed a CHOICE to keep their Analog meter, which has shown no harmful effects. There are innumerable studies and documented research regarding the harmful effects of electromagnetic radiation.

Please refer to Camilla Rees, founder of ElectromagneticHealth.org, keynote speaker at the 2012 International Institute for Building-Biology & Ecology, as well as Martin Blank, Ph.D., Columbia University Dept of Physiology and Cellular Biophysics in order to make an informed decision.

Michigan Municipalities that have passed RESOLUTIONS AGAINST SMART METERS: Counties: Allegan, Macomb, Oakland, Cities: Allen Park, Almont, Brighton, Brighton Twp, Caro, Dearborn Hts, Fairgrove, Farmington Hills, Grosse Pointe Shores, Grosse Pte Woods, Harrison Twp, Livonia, Madison Hts, Oak Park, Reese, Rochester, Rochester Hills, Romulus, Royal Oak, Shelby Twp, Southfield, Sterling Hts, Taylor, Troy, Vassar, Vassar Twp, Van Buren Twp, Warren, Ypsilanti, as of this date. Lincoln Park pending.
